Why a support association (Förderverein)?

The support association uses its membership fees and donations to make purchases and support events that would otherwise not be possible for the children at the nursery.

It does not take on any of the tasks of the operator or the borough, but helps to make the nursery even more attractive for your children.

The support association offers parents, educators and other supporters the opportunity to support and expand the educational offerings of the daycare centre ideologically, materially, financially and through personal commitment. All children at the daycare centre benefit from the work of the association. Donations and membership fees are used solely for the purpose of supporting your children.

Whether it's excursions, play equipment, furniture, learning materials or garden parties: the support association supports projects and events through active work and financial resources.

Why become a member?

Association members form the foundation of our work. The association thrives on your active participation and personal commitment.

As a member of the support association

- you will be regularly informed about the work of the association,
- you can be sure that your donations will exclusively benefit the children at the nursery,
- you can deduct your membership fees from your taxes, and
- you will receive a donation receipt for additional financial contributions or donations in kind upon request.

How can you help us?

Any help and support for our work with the children at the An der Wuhlheide daycare centre is welcome.

Whether

- as a paying member of the association,
- as an active helper in organising and carrying out projects and events, or
- as a supporter through donations

As a registered non-profit association, we will be happy to issue you with a donation receipt for membership fees, financial contributions or donations in kind upon request.

Please also note the possibility of using "*gooding.de*" for generating donations while shopping.

At no additional cost to you!

IMPORTANT NOTE:

Membership is not automatically cancelled as soon as the child leaves the daycare centre; written notice of cancellation is always required.
